

October 20(Sun.) – October 24(Thur.), 2024 Busan, Korea

### • • Dear Ocean Energy Community • •

It is great pleasure to invite you to 7<sup>th</sup> AWTEC 2024 from Oct. 20 to Oct 24, 2024, in Busan, Korea. AWTEC is the sister conference with EWTEC that has been held every even year in Asia region since 2012. In AWTEC 2024, the offshore wind will be included as well as the typical ocean energy topics like wave, tidal current, tidal range, OTEC, etc.

Busan is the second largest city in Korea and it will be a superlative destination for the AWTEC 2024. All participants will have a series of opportunities to appreciate Busan's rich natural, cultural, and urban legacies during the stay.

I and local organizing committee sincerely invite you to AWTEC 2024 and look forward to meeting you in Busan, Korea.

**Prof. Young-Ho Lee**  
Chair of AWTEC 2024
